Description :

PDF-92f37 | Fifteen-year-old Kate's dreams of a life of adventure have, so far, only led her as far as her brother Jack's workshop, where she tests his inventions — motors, gadgets, even weapons. But when Jack engineers a trip for Kate to China — telling her she is going to meet a prospective suitor — she discovers that Jack is not just a hobbyist; his creations are used by the British Secret Servic...
