Description :

PDF-4a2cb | Many of today's traditions, customs, and beliefs are legacies derived from myths and legends our ancestors created as they first formed settlements. They arose from a need to give meaning and understanding to the natural world and to human emotions and desires. Throughout recorded history, ancient myths and legends have influenced art, literature, music, and religion and are still part of our live... *Mythologies of the World: The Illustrated Guide to Mythological Beliefs & Customs*
