Description :

PDF-6479c | Two o'clock was missing. In an alternate Victorian world controlled by clock towers, a damaged clock can fracture time--and a destroyed one can stop it completely. It's a truth that seventeen-year-old clock mechanic Danny Hart knows all too well; his father has been trapped in a Stopped town east of London for three years. Though Danny is a prodigy who can repair not only clockwork, but the very fab... *Timekeeper*
