Description :

PDF-17f56 | In a provocative anthology, two editors with opposing viewpoints present an unflinching collection of works reflecting on the nature of war. Marc Aronson thinks war is inevitable. Patty Campbell thinks war is cruel, deceptive, and wrong. But both agree on one thing: that teens need to hear the truthful voices of those who have experienced war firsthand. The result is this dynamic selection of essays... *War Is...: Soldiers, Survivors and Storytellers Talk about War*
